If *Robin Hoot* is an owl who robs from the rich to give to the poor, and *Moodonna* is the most famous cow rock singer, then is something completely wacky?

Of course it is—it's the wackiest collection of jokes and riddles ever! What would you get if you crossed a chicken with a bicycle? *A hen-speed bike*. What do lady bugs wear? *Fly (high) heel shoes*. What game did the two mountains play? *Valleyball*. If Ms. Piggy married Mr. Back, she'd be *Piggy Back*. And there's much more craziness to keep everyone laughing, with hilarious illustrations on almost every page!
